

# How to Access Today's Math Lesson

You can access the instructional video as well as the classwork and homework pages on Moodle.

1. Login to Moodle in the top right hand corner using student ID and PW 2.

Click **District Online Textbooks and Applications**

3. Click on **Your grade level**
4. Select Great Minds/InSync application

5. Login to LDAP using student ID and PW
6. Select Great Minds/InSync App

More apps

7. Assignments should appear or you can click the search button on the left to find a certain lesson

You have 3 assignments for today.

8. Begin with Video.
9. At the end of the video the Must Do questions will be given. These are required questions for the LEARN (classwork). All extra problems are optional.
10. SUCCEED pages are homework- same Must Do questions will be done for this as well.
